

## BIOTECH SAPIENS- CSIR –UGC NET TEST SERIES

Hello Everyone

We are pleased to inform that we are starting our test series (life sciences) from 15th November. This test series will help in checking your preparation of exam and will give you real insight about pattern and the level of questions being asked in exam. As CSIR-UGC NET exam is conducted by NTA and this exam will be online for the first time. Online test series will help you in understanding of how the paper looks alike and other different aspects about exam. There is no change in the pattern of exam. This test will be comprised of 7 UNITWISE TEST AND 3 MOCK TESTS. Registrations are open for Test series.

Registration fees 2000(including GST)
